

# Welcome to 1<sup>st</sup> Grade!

I am excited to have you in our class! We are going to have a wonderful year. We will grow as learners, make new friends, and have fun!

## Meet Mrs. Miller

I grew up in New Jersey, with an older and younger brother. My dad was a gym teacher, and my mom was a photographer. When I graduated high school, I attended York College of Pennsylvania, and I received a degree in elementary education with a minor in special education. I taught 1<sup>st</sup> grade in the South Middleton School district for 5 years, and I loved every minute! I attended Shippensburg University to get a Master's degree in Reading, and I married my husband, Jeff. When we had our first baby I decided to stay at home while our kids were little. I opened a state certified home daycare,

Grow-n-Love Learning Center, and my 2 daughters grew up with lots of playmates. Now that my girls, Alyssa (7) and Brooklyn (5), are both going to school this fall, I decided to return to elementary teaching. I am excited to join the Carlisle Area School District and return to 1<sup>st</sup> grade!
