Colleen M. Friend, Ed.D., Superintendent

August 8, 2022

Dear AP U.S. History Student,

This letter is a reminder to complete the online required summer assignments before the first week of school. **As of Monday, August 8th:**

- 2 students have not picked up the **textbook** in the McGowan Counseling Center – do this ASAP!
- 15 students have not completed **any** of the online summer assignments
- 1 student has completed **all** the online summer assignments

Please begin to work on the above assignments prior to August 22nd (the first day of school). Do not wait until the last minute to complete these items. **These are graded assignments and will count toward the 1st marking period.** Also, you will need to be prepared for the first unit exam (Period #1) the second week of school.

If you have started any of the online assignments, please double check that all items are complete. A few students have only one assignment remaining to complete.

If you have not started, remember that you can access the course inside the Schoology platform – "APUSH Summer: Section 1" is the name for the course. Once inside the course you will see a folder entitled "Unit 1: Period 1: 1491-1607." Access this folder to find six separate folders. Each folder contains items you must complete. Start with the "Introduction" folder so you understand what the expectations are. The last folder, "Period 1 Review Items" you do not need to worry about at this time. We will use that as a review later on.

As always, if you have questions or concerns, please do not hesitate to contact me. You can use the email and/or phone number listed below. I look forward to meeting all of you on Monday, August 22nd!

Regards,

Kevin Allen Wagner
