

# CARLISLE HIGH SCHOOL

## ***Dual Enrollment Request Form***

Juniors and Seniors are permitted to take up to two college courses per semester at Shippensburg University through the ShipStart program for both high school and college credit: Dual Enrollment. As long as the course(s) fits within our schedule and does not interfere with courses the student must complete for graduation. In order to earn the high school credit, students must take the course(s) within the normal school year.

The student and/or family is responsible for contacting the University to sign-up for a ShipStart course(s), paying for the course, transportation to and from, and communicating with their counselor to coordinate the course within their schedule.

It is the student's responsibility to turn in this form to their school counselor by the below stated deadline:

The deadline to turn in this form for Fall Semester Courses is **May 17<sup>th</sup>** .
